

About Us

We're Banking Forward

Today, we work toward one thing – tomorrow. For decades, we've been helping our customers achieve their personal and business goals. At SouthState, we offer innovative banking solutions to support individuals, businesses, and communities throughout their financial journey. Whatever you need to be successful, our experienced bankers can offer the right solutions so you can bank the way you want. **This is banking at its best. This is Banking Forward.**

Positioned for the Future

SouthState is a leading regional bank, providing consumer, commercial, mortgage and wealth management solutions to more than 1.5 million customers throughout Florida, Texas, the Carolinas, Georgia, Colorado, Alabama, Virginia and Tennessee. Our unique culture sets us apart from our peers. We believe in local market leadership, focusing on the long-term horizon, providing remarkable customer experiences, developing meaningful and lasting relationships, and serving a greater purpose.

Corporate Stewardship

Our Company was founded on the principles of providing innovative, personalized banking services for all, making our communities a better place to live, and supporting our knowledgeable, experienced bankers. Decades later, we are still taking measurable steps to continue these initiatives. Visit our website to view our latest Corporate Stewardship report.
