

International Services

In today's rapidly changing economic environment, the demand for global funds transfer services and settlement has grown tremendously. SouthState has a wide range of International services and a highly trained Foreign Exchange Group. Services include Wire Transfers in Foreign Currency and US Dollars, Foreign Banknote Services as well as Foreign Check Clearing.

INTERNATIONAL WIRE TRANSFERS

SouthState is a member of the Society for Worldwide Interbank Financial Telecommunications (S.W.I.F.T.). Our association with S.W.I.F.T. allows us to send the most secure messaging and wire transfers throughout the world on behalf of our clients. Use our International wire transfer services to send and receive International Payments. The remittance of funds in almost any currency is handled quickly and efficiently through our extensive network of foreign correspondent banks. Payments can be initiated through our online banking platform or in-person at any SouthState branch location. In addition, we can provide customers complete payment instructions for receiving payments from foreign countries.

FOREIGN CHECK CLEARING

Our international check clearing service gives customers the ability to collect on checks drawn on foreign banks, in addition to checks drawn in other currencies. Clearing is done by Clean Collection or Cash Letter methods providing credit on a final or provisional credit basis.

FOREIGN CURRENCY

Through SouthState, you have the ability to obtain Foreign Currency Banknotes for international travel needs. Most unused notes are easily bought back at current exchange rates. Foreign Currency exchange rates are available by contacting your local branch or Treasury Management Officer. Next business day delivery provides a fast, reliable and cost effective service for your clients.

FOREIGN EXCHANGE ADVISORY SERVICES

With exchange rates fluctuating daily, SouthState's foreign exchange specialists can help customers manage their foreign exchange risk. For more information regarding our International Services, please contact your local branch or Treasury Management Officer.
